

## **Drop-Off Electronics Recycling**

Below is a short list of items most commonly accepted. If your item is not listed feel free to send us an email or give us a call! We accept just about anything that is considered e-waste or just anything you can imagine in a home, school, office, medical, government, military, and/or electronic environment.

If you ask us E-waste is basically anything you can plug into the wall or runs on a battery PLUS anything that plugs into that which is plugged into the wall or runs on a battery.
